General Fund Revenue

The City's General Fund is the largest fund and is also one of the most vital to the City's operation. The General Fund is the primary fund that accounts for everyday general expenditures like park maintenance, police protection, and fire protection; while at the same time, supplementing portions of the other funds. Like most funds, the General Fund relies on the inflow of cash, shown as revenues

Property Taxes	\$3,086,064	\$3,210,025
Special Assessments	\$3,224	\$2,244

and subsequently the outflow listed as expenditures. The primary revenue for the General Fund is property taxes. Intergovernmental revenues are items like state/county aids and grants. For the year end of 2014, the City's revenue total was \$4,304,743 which was a \$203,316 (5.0%) increase from the previous year. This is mainly due to license and permit fees generating more revenue than expected.

from 2013. Public Safety costs increased \$46,549 (16% of the increase from 2013) and Public Works costs increased \$189,161 (64% of the increase from 2013); this was due to restructuring the budget for maintenance expenses that were previously budgeted in another fund.
