## Don't want to wait until Cleanup Day?

**Check out these resources for donation options, recycling options, and proper disposal options:**

**A to Z Recycling and Disposal Guide:** Visit [Ramseyrecycles.com](http://Ramseyrecycles.com) and check out the **A TO Z RECYCLING & DISPOSAL GUIDE** where you can look up specific items from Aquariums to Zinc batteries. Quite often there are excellent reuse ideas, as well as donation locations. Most items will identify if they are recyclable or else provide disposal options. **Don't have internet access? Call the Recycling & Disposal Hotline at 651.633.3279, answered 24/7.**

**Medicine Collection:** Safely dispose of unwanted, expired and unused medicines for free at one of three public drop boxes in Ramsey County (pet medicines included). Safe disposal of unwanted medicine helps prevent crime, drug abuse, and accidental poisoning. Not flushing medicines down the drain or disposing of them in the trash helps protect our environment.

**Yard Waste and Organics:** Ramsey County operates seven **YARD WASTE COLLECTION SITES**. All sites are free and open to Ramsey County residents only, **a photo ID is required**. Items accepted vary by site – most yard waste sites have an Organics Recycling bin and the attendant can provide you free compostable bags.

**Household Hazardous Waste:** Many household products you use to clean your kitchen and bathroom, maintain your car and home, and control animals and insects contain hazardous materials. If a container has the words **CAUTION, WARNING, DANGER or POISON** on the label and still has product inside, it does not belong in the trash. Use Ramsey County's free household hazardous waste collection sites (open year round) for safe disposal. Energy efficient light bulbs and fluorescent light bulbs belong in the household hazardous waste category.

**Have a broken item that you wish to fix? Check out the RAMSEY COUNTY FIX-IT CLINICS!** Get household items fixed for free and learn valuable repair skills at an upcoming Fix-It Clinic. At Fix-It Clinics, residents bring in small household appliances, clothing, electronics, mobile devices and more to receive free guided assistance from volunteers with repair skills to disassemble, troubleshoot and fix items. Fix-It Clinics build community connections and reduce the number of repairable objects that are thrown in the trash.

**For more information on year-round recycling programs, visit [www.ramseyrecycles.com](http://www.ramseyrecycles.com) or call 651.633.3279 (answered 24/7).**
