The City of Arden Hills is responsible for
the purchase, installation, and
maintenance of the bench (and optional
plaque). Benches are secured to concrete
footings and are made from recycled
materials, which provide UV protection
and low maintenance. They are the color
of cedar wood. The exact style of bench
depends on availability.

An information sheet with current bench
and plaque photos and specifications is
available upon request.

City staff contacts each donor to discuss
location and placement of the bench.

The Arden Hills Foundation
connects the generosity of
people to the evolving needs
of the community.

The City of Arden Hills has
over 145 acres of parks and
open space for the public to
enjoy. The Park Bench
Donation Program is
designed to increase the use
and enjoyment of city parks,
trails, and playgrounds.

When donating a bench you
can also donate money for a
plaque to be permanently
placed on the bench. Plaques
are a great way to remember
a person or acknowledge an
accomplishment or donation.

We appreciate your
generous, tax-deductible gift.
