**TO:** Honorable Mayor and City Councilmembers

**FROM:** Patrick Klaers, City Administrator 

**SUBJECT:** Communities with Xcel Energy Franchise Fees

In June 2013, Xcel Energy representative Colette Jurek provided me with information on how to locate a list of communities within the Xcel Energy service territory where franchise fees are currently being collected. Attached is this email from Colette Jurek along with the electric rate book pages and the gas rate book pages which list the communities with franchise fees. This email from Colette Jurek was previously distributed to the City Council as part of the agenda packet for the July 15, 2013, work session.
